- \*Radio SNBS via WGTG keeps missing broadcast; obituary
- \*Dave Frantz talks about WGTG instead, and at another time
- \*The Media Magazine you Monitor with your Mind, W.O.R. 959; [wghauser@hotmail.com](mailto:wghauser@hotmail.com) P O Box 1684, Enid, OK 73702 USA; fax if really necessary: 1-580-233-2948 attn Hauser  
all-text website: <https://www.angelfire.com/ok/worldofradio>
- \*Harry Shearer's Le Show finally starts on WBCQ (recording); the Nazis are gone, but not Scriptures for America; Al Weiner Worldwide new times; supposed new afternoon religious show unheard; plan to carry Art Bell overnight not confirmed; transmitter almost up to full power; Pacifica News wanted too much money to be carried on WBCQ
- \*Oklahoma SW harmonic still heard, and off-frequency
- \*Another US station on 11-meter band heard trans-Pacifically
- \*Havana's third harmonic on 10-meter band ditto
- \*Sick-out at Bahamas Broadcasting over pay
- \*Broadcasting Corporation of Belize being divested by government
- \*RFPI Oct 4-10 broadcasting live from Virginia's Belonging to Mother Earth conference; also on satellite, and webcast; see <http://www.belonging.org> - and live call-ins on FRRR resume
- \*R. Yugoslavia retiming WNAm broadcast, but still summer freqs
- \*Norway's final English lost some transmissions with site down;

18950 usage to expand for D98; staffer vows to try to get  
English rescued  
\*Ireland has new commercial TV3 network  
\*Surrey Electronics gets European Commission on Human Rights  
backing over allowing independent SW station in Britain  
\*New BBC WS head foresees changes, but not structural ones  
\*BBC WS about to close down German service  
\*Lord Archer proposes England go on double-DST, but not Scotland  
\*DW from Germany barely using 13m; should try 11m  
\*Report that the ionosphere has lowered 8 km, so are radio  
propagation distances also reduced?  
\*Propagation outlook from Boulder Sept. 29; flux peak 145  
\*So concludes WOR 959; your input welcomed to wghauser@hotmail.com  
\*Do join me again next week
